Terms & Conditions of the Contract

1. Scope of Work: Supply, installation, testing and commissioning including FSMA of Photocopier Machines for DBI Bank Branches – PAN India for the contract period with following terms.

2. **Delivery:** Orders will be placed progressively as per Bank's requirement during the contract period. The supply, installation, testing and commissioning of the machines have to be completed within a period of 4 weeks from the date of placement of order.
 3. **Liquidity Damages:** Time shall be the essence of the contract and any delay in supply, installation or commissioning shall attract a penalty of 0.5% of the machine cost per day of delay subject to a maximum of 5% of the machine cost.
 4. **Training:** You shall associate the Bank's staff during the testing and operation of the machine. You shall also train the staff for the proper operation, troubleshooting and routine maintenance at each location.
-
2. **Terms of Payment:** All payment will be made through e-payment mode only. The bills and invoices duly certified by user branch/office shall be submitted to the Corporate Office, Mumbai along with due acknowledgement w.r.t satisfactory supply, installation testing and commission of the machines. Copy of respective work order should also be submitted with bill.
 - a. 90% cost of the machine shall be released on supply, installation and commissioning of the machines to the satisfaction of the Bank and supply of Additional Stand-by Tonner/ Cartridge.
 - b. 10% cost of the machine shall be retained as retention money for 1 year from the date of commissioning. Alternatively, vendor can also furnish a Bank Guarantee of 10% of cost of the machine of respective location.
 - c. If the site is not ready for installation and commissioning from the Banks side even after 30 days from the date of supply, 70% of the machine cost shall be released against delivery of the machine at site.
 - d. The bills for FSMA charges will be paid by the respective branch/Offices/Departments every month based on the certified meter reading of the machine. Applicable taxes will be deducted at source while releasing the payment.
 3. **Validity of Contract:** - The approved rate shall be valid for a period of 2 years w.e.f January 17, 2026.
 4. **Contract Rates :** The prices indicated above are inclusive of duties, local levies in the country of origin and shipment , packing freight from the factory to the destination site, insurance, handling, custom clearing charges delivery charges, loading/unloading charges etc. till handing over of the machine at after successful

commissioning. However, GST shall be payable extra at actual. Applicable taxes will be deducted at source while releasing the payment.

5. **Warranty & FSMA:** The machine would be under replacement warranty for 60 months from the date of commissioning of the machine and if any machine is facing frequent break down, the same would be replaced with another new machine without any extra cost. The vendor shall also maintain the machines for the prescribed period mentioned in the BOQ and FSMA charges payable will cover all the spare parts and any damage to the accessories including of supply of toner required for the machine. A stand-by toner shall also be supplied along with the machine. During the said period, you shall without any extra cost, carry out all routine and break down maintenance of the machine and attend to any difficulties/ defects that may arise in the operation of the machines.
6. **Escalation:** The contract price shall remain firm during the entire tenure of the contract and no escalation shall be granted during the period.

Yours faithfully,

Sd/-
